REMARKS

Applicant has taken the claims, submitted on March 9, 2005, and combined Claims 1, 3, 4 and 9 into Claim 1. Claim 9 has been indicated as allowable and was dependent on Claim 4, which was dependent on Claim 3, which was in turn dependent on Claim 1. Since currently amended Claim 1 includes <u>all</u> of the limitations of Claims 1, 3, 4 and 9, it is in condition for allowance.

Claims 12 and 13 have been cancelled. New claims 37 and 38 are resubmitted claims 12 and 13 to remove the Examiner's refusal to consider based upon "not properly amended".

Applicant does not understand the Examiner's position, which was raised for the first time in the latest Notice of Non-Compliant Amendment, even though the claims were not changed in that amendment.

The remainder of the claims have been cancelled or made dependent from appropriate previous claims.

Applicant respectfully submits that these changes are solely to achieve a patent grant for business reasons, but applicant does <u>not</u> accept the examiner's interpretation of the prior art. A continuing application is anticipated.

A copy of the Notice of Non-Compliant Amendment is enclosed.

In the amendment of August 10, 2005, a check for \$225 was submitted for a two month extension of time. Subsequently \$60 was charged to our Deposit Account on September 23, 2005 for another one month extension of time. It is believed that no additional charges are due at this time; however, the Commissioner is authorized to charge any deficiency or credit any overpayment to Deposit Account 07-1900.

Respectfully submitted, JENSEN & PUNTIGAM, P.S.
